

Exhausting

Ella Red

Na-na-na-na-na
Na-na-na-na-na-na

Did I hurt your feelings? Did I really make you mad?
You said it's 'cause you're healing, so, I shouldn't tag your at
That line should've been your last lie
Busy lighting matches, you've already got a flame
A couple months together, yeah, you sent 'em down the drain
That line should've been your last lie

Hey, it's me just wondering how you always dismiss when you act-

Isn't it exhausting? Drama like a Prom Queen
Gotta cause a big scene every time (Every time)
Notorious, yeah, maybe, pathologic baby
Hard to see you lately through your disguise (Every time)
Isn't it exhausting?

Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na

You say it wasn't what you meant, it wasn't your intent
Check the number twice before you go and hit send
That line should've been your last lie

Hey, it's me again, just curious, how can you act-

Isn't it exhausting? Drama like a Prom Queen
Gotta cause a big scene every time (Every time)
Notorious, yeah, maybe, pathologic baby
Hard to see you lately through your disguise (Every time)
Isn't it exhausting?

Holding my breath 'cause you're blowing smoke
Holding my breath 'cause you're gonna choke
You're gonna choke (Every time you)
Keep up, keep up the stories you tell
Got me confused with somebody else
Somebody else (Every time you)

Did I hurt your feelings? Did I really make you mad?
You said it's 'cause you're healing so I shouldn't tag your at
That line should've been your last lie (But it wasn't)

Isn't it exhausting? Drama like a Prom Queen
Gotta cause a big scene every time (Every time)
Notorious, yeah, maybe, pathologic baby
Hard to see you lately through your disguise (Every time)
Isn't it exhausting?

Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na
Isn't it exhausting?
