

# Cellophane

Ella Vos

Didn't I do it for you?  
Why don't I do it for you?  
Why won't you do it for me  
When all I do is for you?

They wanna see us, wanna see us alone  
They wanna see us, wanna see us apart  
They wanna see us, wanna see us alone  
They wanna see us, wanna see us apart

And I just want to feel you're there  
And I don't want to have to share our love  
I try, but I get overwhelmed  
When you're gone, I have no one to tell  
And I just want to feel you're there  
And I don't want to have to share our love  
I try, but I get overwhelmed  
All wrapped in cellophane, the feelings that we had

And didn't I do it for you?  
Why don't I do it for you?  
Why won't you do it for me  
When all I do is for you?  
And didn't I do it for you?  
Why won't I do it for you?  
Why won't you do it for me  
When all I do is for you?

And I just want to feel you're there  
And I don't want to have to share our love  
I try, but I get overwhelmed  
All wrapped in cellophane, the feelings that we had

And didn't I do it for you?  
Why don't I do it for you?  
Why won't you do it for me  
When all I do is for you?
