

Glitter And Tears

Ella Vos

I've been waiting here for a miracle
Some days I don't know what I'm fighting for

I try to stay high
Dancing in the neon
Blue skies turned to dark nights
Sinking to the bottom and I'm losing my mind

Glitter and tears run down my face
I say a prayer when they roll me away
Wish you were there for my worst
But I'm kinda glad that you weren't
Cover my eyes when they open my veins
Where do I go when there's no escape?
Wish you were there for my worst
But I'm kinda glad that you weren't

Kinda glad glad glad
Didn't know you yet
I was sad sad sad

Turn my pain to something beautiful
Breathe me in and hold me til I go

I try to stay high
Dancing in the neon
Blue skies turned to dark nights
Sinking to the bottom and I'm losing my mind

Glitter and tears run down my face
I say a prayer when they roll me away
Wish you were there for my worst
But I'm kinda glad that you weren't
Cover my eyes when they open my veins
Where do I go when there's no escape?
Wish you were there for my worst
But I'm kinda glad that you weren't

Kinda glad glad glad
Didn't know you yet
I was sad sad sad

Kinda glad glad glad
Didn't know you yet
I was sad sad sad

I've been waiting here for a miracle
