Take It Back

Ella Vos

I always thought that a promise
Meant not letting go
Then you let go
Now I don't know

I always thought that you needed
Me like I needed you
More than the world
I was so sure

Cause you gave me your kiss, your body, your soul
Gave me those nights when I held you so close
Gave me your heart, your hopes, and your dreams
Why can't you see

You can't take it back
You can't take it back
All of your love was all that I had
You can't take it back

You can't take it back
You can't take it back
All of your love was all that I had
You can't take it back

What's there left to believe in
Thought I saw truth in your eyes
All of this time, you said you were mine
It can't be a lie

Cause you gave me your kiss, your body, your soul
Gave me those nights when I held you so close
Gave me your heart, your hopes, and your dreams
Why can't you see

You can't take it back
You can't take it back
All of your love was all that I had
You can't take it back

You can't take it back
You can't take it back
All of your love was all that I had
You can't take it back

Can't take it back
Can't take it back

Can't take it back
Can't take it back
