Catch Us If You Can

Elle King

I know I didn't choose you
We've got no time left to lose
Catch us if you can, catch us if you can
The red and blue in the rear view

If I'm a fifth of whiskey
You're the champagne
If you're a wildflower
I'm a grenade

We are the wild, we are the reckless
Set every mile, they'll never catch us
Our star won't fade
We are the wild, we are the reckless
Set every mile, they'll never catch us
Hey, hey, hey, hey
We are rebel runaways

Catch us if you can, catch us if you can
Catch us if you can, catch us if you can

Mugshots and Jimmy Choo
Diamonds and orange jumpsuits
Catch us if you can, catch us if you can
Looking real good on the evening news

If I'm a fifth of whiskey
You're the champagne
If you're a wildflower
I'm a grenade

We are the wild, we are the reckless
Set every mile, they'll never catch us
Our star won't fade
We are the wild, we are the reckless
Set every mile, they'll never catch us
Hey, hey, hey, hey
We are rebel runaways

The prince with the manicure
Handcuffs are prison couture
Catch us if you can, catch us if you can

We are the wild, we are the reckless
Set every mile, they'll never catch us
We are the wild, we are the reckless
Set every mile, they'll never catch us
Our star won't fade
We are the wild, we are the reckless
Set every mile, they'll never catch us
Hey, hey, hey, hey
We're rebel runaways
(Catch us if you can, catch us if you can)
(Catch us if you can, catch us if you can)
We're rebel runaways
Catch us if you can, catch us if you can
We're rebel runaways

We run away, we run away
Catch us if you can, we're rebel runaways
