

Chained

Elle King

We can runaway
But we can't hide for long
And all that lingers harms us
I can lie to you
But the truth comes alive
Every time I die
Saying goodbye

'Cause I don't want to change
And I can't stay this way
And I don't even mind staying chained
And thinking of you
Thinking of you

Is it up to me?
It's always been up to you
To find the peace we needed to
Is it said and done
Is it carved in the stone
And how many days is it gonna take
'Til we get back home

'Cause I don't want to change
And I can't stay this way
And I don't even mind staying chained
And thinking of you
Thinking of you

Will you wake me up
Will you shake me up
'Cause I'm losing my way in the game
Even at our best, my love
Neither one of us was every be good enough

And I don't know why I can't change
And I will always stay this way
And I don't even mind staying chained
And thinking of you
Thinking of you
Thinking of you
Thinking of you
