

Doesn't Matter

Ellen Krauss

I'm sick of this view tonight
But it's new to you
So I'm glad we made it baby

Doesn't matter
As long as you're mine
Doesn't matter
Doesn't matter

And what's up
With the others tonight?
Did we have a plan? Ah oh oh oh
I said I know the DJ baby

It doesn't matter
As long as you're mine
Doesn't matter
Doesn't matter
Spelar ingen roll
Spelar ingen roll

And there's a party we can go to
Even tho nobody knows you
You're thinking bout it
If you want, I'm down too
I like this, I like this

It doesn't matter
As long as you're mine
Doesn't matter
Doesn't matter
Spelar ingen roll
Spelar ingen roll
Spelar ingen roll
Spelar ingen roll
