

## Often

Ellen Krauss

Do you come here often?  
Often  
Does he make you come often?  
Does he make you come?  
Why don't you just take it off then?  
If you're hotter than a fire burning up  
I don't mind the talking  
But looking at you won't ever be enough

Take me to the clouds, am I right  
Take where the stars go to night

Call on on me in red  
It tastes so much better than in my head  
I'm using every minute I get with you  
It's not what I'm used to, mm  
Call on me in gold  
Baby, this is nothing like what I've been told  
I'm using every minute I get with you  
It's not what I'm used to

Do you come here often?  
Often  
Does he make you come often?  
Does he make you come?  
Why don't you just take a shot then?  
Take me somewhere we can really mess it up

Take me to the clouds, am I right  
Take where the stars go to night

Call on on me in red  
It tastes so much better than in my head  
I'm using every minute I get with you  
It's not what I'm used to, mm  
Call on me in gold  
Baby, this is nothing like what I've been told  
I'm using every minute I get with you  
It's not what I'm used to  
It's not what I'm used to

Take my name and write in gold  
This is nothing like what I've been told  
Take my name and write in gold

Call on on me in red  
It tastes so much better than in my head  
I'm using every minute I get with you  
It's not what I'm used to, mm  
Call on me in gold  
Baby, this is nothing like what I've been told  
I'm using every minute I get with you  
It's not what I'm used to  
It's not what I'm used to, oh  
Used to, oh  
It's not what I'm used to
