

On The Bus

Ellen Krauss

Is it too much to ask for you to stay with me
Sit by my side?
Is it too much to ask for you to walk around me
So he won't see me cry?
'Cause if he sees me on my own
You know I'd rather die, rather die, yeah, huh
Is it weird that I won't face my fears, face my fears? Yeah
I'm on the verge of breaking into tears, into tears

And I'd rather be safe than sorry
I'd rather be safe than sorry, yeah

So when I see you on the bus I'll be drunk as fuck
So I don't have to look at your face, mm
When I see you in the crowd I'll be acting out
So I don't give my feelings away

Du-du-du-du-du-du-du
I won't show you my scars, no
Du-du-du-du-du-du-du
I won't show you my scars

Is it too much to ask for you to talk to me
Stay for a while?
I won't wanna be alone so I'm looking for company
Would you be so kind, yeah?
'Cause if he sees me on my own
You know I'd rather die, rather die, yeah

And I'd rather be safe than sorry
I'd rather be safe than sorry, yeah

So when I see you on the bus I'll be drunk as fuck
So I don't have to look at your face, ooh
When I see you in the crowd I'll be acting out
So I won't give my feelings away, mm
When I see you on the train I won't show you my pain
'Cause you don't even think of me, babe, ooh
When I see you at the bar I won't show you my scars
So I don't give my feelings away

Du-du-du-du-du-du-du
I won't show you my scars, no
Du-du-du-du-du-du-du
I won't show you my scars
Du-du-du-du-du-du-du
I won't show you my scars, no
Du-du-du-du-du-du-du
