

Swim

Ellen Krauss

Daytime runs out
Pacing on the shore
Told the ocean to take me
I can't swim anymore
I am speechless, my luck's out
Money out the door
Took my last steps of lonely
I can't dance anymore

I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you
Again

I'm gonna live for you
I'm gonna live for you
I'm gonna run to you
Again

Said my last words and my prayers
To all of the lords
And the exit of no return
Is so secure
I can't eat, I can't sleep
And my heart waiting for
One more second but time's up
I'm not here anymore

I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you
Again

I'm gonna live for you
I'm gonna live for you
I'm gonna run to you
Again

I'm gonna live for you
I'm gonna live for you
I'm gonna sing for you
Again

I'm gonna live for you
I'm gonna live for you
I'm gonna run to you
Again

Again
Again
Again
Again

Again
Again
Again

Again

I'm gonna run to you

Again

I'm gonna run to you

Again
