```
Aiiiii yayayyayaaaaaye!
Aiiiii yayayyayaaaaaye!
Aiiiii yayayyayaaaaaye!
Aiiiii yayayyayaaaaaye!
There is a place I know
Out of the violence out of the cold
Drink with me now
Under starry skies
On the horizon through the great divide
Dance with the fire
Dance with the firelight
Dance till we die
Ashes in the night
Dance with the fire
Dance with the firelight
Dance till we die
Ashes in the night!
Aiiiii yayayyayaaaaaye!
Free me now free me now
Aiiiii yayayyayaaaaaye!
Stay through the night
Till the stroke of the light
Aiiiii yayayyayaaaaaye!
Free me now free me now free me now!!!
Eternal eternal eternity
Cry to the wind
I don't wanna sin
Don't wanna win the race I'm in
I cry in the clouds I soar through the sky
Over the towns I'm far from the lies
Dance with the fire
Dance with the firelight
Dance till we die
Ashes in the night
Dance with the fire
Dance with the firelight
Dance till we die
Ashes in the night!
Aiiiiii yayayyayaaaaaye!
Free me now free me now
Aiiiiii yayayyayaaaaaye!
Stay through the night
Till the stroke of the light
Aiiiii yayayyayaaaaaye!
Free me now free me now free me now!!!
Eternal eternal eternity
Aiiiii yayayyayaaaaaye!
```

Free me now free me now

Aiiiiii yayayyayaaaaaye! Stay through the night Till the stroke of the light Aiiiiii yayayyayaaaaaye! Free me now free me now free me now!!! Eternal eternal eternity!
