

LOST MY MIND

Elley Duhé

A pain seeking strange feeling's taking over me
Please don't judge me, I am acting, acting differently
And you know me, you know, know what's inside
Please always love me even though

I lo-, I lo-, I lost my mind
Wake up, survive
I will get better
Yeah, one day at a time
Something ain't right
I lost my mind
But I could get better
One day at a time

I'm afraid I'll fail you but
Damn I always try
Even if I lose someday
I'll never lose my fight
And you know me, you know, know what's inside
Please always love me even though

I lo-, I lo-, I lost my mind
Wake up, survive
I will get better
Yeah, one day at a time
Something ain't right
I lost my mind
But I could get better
One day at a time

This is my sad soul
Rocking the down fall
Rocking the beat flow
This is my
This is my sad soul
Yeah, this is my sad soul

Please always love me even though
I lo-, I lo-, I lost my mind
Wake up, survive
I will get better
Yeah, one day at a time
Something ain't right
I lost my mind
But I could get better
One day at a time

I lo-, I lost my mind
Wake up, survive
I will get better
Yeah, one day at a time
Something ain't right
I lost my mind
But I could get better
One day at a time
