

# MONEY ON THE DASH

Elley Duhé

Take, you're runnin' out the road so get out the way  
Push the pedal to the floor, blow 'em all away  
Yeah, you see, I'm gettin' close, I accelerate  
Goin' faster than fast, hit the gas

Lose control, I won't crash, rollin' hi-igh  
Put your money on the dash, throw the di-dice  
Lose control, I won't crash  
Run it all, I won't crash  
When you slow, I won't crash  
Running, take, take, take, take
