

How Long

Ellie Goulding

How long will it take me
To stop feeling like I'm crazy?
How long has it been now?
I think about you every sundown

How you doing with the distance?
Ooh, my love
Your reflection's inconsistent
Ooh, my love
We'll be lonely until one of us gets too drunk
Pretending that we're in love tonight
Tonight

How long? How long? How long? How long?
How long 'til you're out of my head?
How long? How long? How long? How long?
How long 'til you're back in my bed?

How long? How long? How long? How long?
How long 'til you're out of my head?
How long? How long? How long? How long?
How long 'til you're back in my bed?

(Ah-ah-ah, ha ha, ah-ah-ah, ha ha)
How long 'til you're out of my head?
(Ah-ah-ah, ha ha, ah-ah-ah, ha ha)
How long 'til you're back in my bed?

You're making it look easy
In the morning when you leave me
But we both know you really need me
Making excuses just to see me

So how you doing with the distance?
Ooh, my love
Your reflection's inconsistent
Ooh, my love
We'll be lonely until one of us gets too drunk
Pretending that we're in love tonight
Tonight

How long? How long? How long? How long?
How long 'til you're out of my head?
How long? How long? How long? How long?
How long 'til you're back in my bed?

How long? How long? How long? How long?
How long 'til you're out of my head?
How long? How long? How long? How long?
How long 'til you're back in my bed?

(Ah-ah-ah, ha ha, ah-ah-ah, ha ha)
How long 'til you're out of my head?
(Ah-ah-ah, ha ha, ah-ah-ah, ha ha)
How long 'til you're back in my bed?

To last time, to the next time

We can't let it go
Feels right, but it ain't right
We just can't say no
Last time's like the first time
We can't let it go
Tonight

How long? How long? How long? How long?
How long 'til you're out of my head?
How long? How long? How long? How long?
How long 'til you're back in my bed?

How long? How long? How long? How long?
How long 'til you're out of my head?
How long? How long? How long? How long?
How long 'til you're back in my bed?

(Ah-ah-ah, ha ha, ah-ah-ah, ha ha)
How long 'til you're out of my head?
(Ah-ah-ah, ha ha, ah-ah-ah, ha ha)
How long 'til you're back in my bed?

How long 'til you're out of my head, my love?
Ooh
How long? How long?
