

## Fear Not

Ellie Holcomb

Fear not, for I have redeemed You  
I've called You by name, You are mine  
Fear not, for I have redeemed You  
I've called You by name, You are mine

If You're scared of the dark  
I'll be Your guiding light  
If the flood waters come  
They won't wash You aside  
If You're caught in a storm  
I'm safe place to hide  
Don't be afraid, I am with You

Fear not, for I have redeemed You  
I've called You by name, You are mine  
Fear not, for I have redeemed You  
I've called You by name, You are mine

And if You need a friend  
Oh I won't let You down  
If You feel the earth shaking  
I'm Your solid ground  
If You're feeling alone  
Like there's no one around  
Don't be afraid, I am with You

Fear not, for I have redeemed You  
I've called You by name, You are mine  
Fear not, for I have redeemed You  
I've called You by name, You are mine

And don't forget that I made You  
Don't believe that You're not enough  
I'll never leave or forsake You  
Try to remember my love

Fear not, for I have redeemed You  
I've called You by name, You are mine  
Fear not, for I have redeemed You  
I've called You by name, You are mine
