

# Wonderfully Made

Ellie Holcomb

It's two in the morning  
And I'm still awake in my bed  
And I can't shake these lies that keep reading  
Around in my he-head

What if I saw me, the way that You see me?  
What if I believed it was true?  
What if I traded, this shame and self-hatred?  
For a chance at believing You

That You knit me together  
In my mother's womb  
And You say that I've never been  
Hidden from You  
And You say that I'm wonderfully  
Wo-onderfully made

You search me and know me  
You know when I sit, when I rise  
So You must know the choices I've, made  
And the pain that I hi-hide

What if I saw me, the way that You see me?  
What if I believed it was true?  
What if I traded, this shame and self-hatred?  
For a chance at believing You

'Cause You knit me together  
In my mother's womb  
And You say that I've never been  
Hidden from You  
And You say that I'm wonderfully  
Wo-onderfully made  
And Your eyes, they have seen me  
Before I was born  
And You know all the good things  
That You made me for  
And I'm wonderfully  
Wo-onderfully made

Oo-oo, oo-oo  
Oo-oo-oo-oo  
Oo-oo, oo-oo  
Oo-oo-oo-oo

When I consider; the Heavens above  
Ohhh what is man, that You're mindful of us  
'Til You say that we're wonderfully  
Wo-onderfully made  
And You promise that You'll never  
Leave me, oh Lord  
Oh that You hem me in, both behind and before  
And I'm wonderfully  
Wo-onderfully made

And You knit me together  
In my mother's womb

And You say that I've never been  
Hidden from You  
And You say that I'm wonderfully  
Wo-onderfully made  
And Your eyes, they have seen me  
Before I was born  
And You know all the good things  
That You made me for  
And I'm wonderfully  
Wo-onderfully made  
Wonderfully made ...

Help me believe it  
Help me to see me  
Just like You see me  
Just like You made me  
Wonderfully ma-ade  
Yay-ay-ayy, ay-ayy  
Oo-oo, oo-oo  
Oo-oo-oo-oo  
Help me believe it  
Help me to see me  
Just like You see me  
Just like You made me  
Wonderfully ma-ade  
Yay-ay-ay...
