

# Faraday Cage

Elliot Moss

Hey  
It looks like  
You've seen a ghost  
Were you surprised  
That of all things  
This is what hurt you the most?  
Were you surprised?

I wanna hide  
Inside of  
A Faraday cage  
To stop the transmissions  
The calls  
And the radio waves  
I wanna hide, I wanna hide, I wanna hide

Hey  
It looks like  
You've seen a ghost  
Were you surprised  
That out of all things  
This is what hurt you the most?

I wanna hide  
Were you surprised?  
I wanna hide from you  
I wanna hide  
Were you surprised?  
I wanna hide from you
