

Highspeeds

Elliot Moss

I'm tired
I've been waiting for you
I'm so tired and
I need to lay down
But you're travelling high speeds
And you're fast
Too fast to chase anymore
You're too fast to chase anymore

I'm tired
I've been waiting for you
I'm so tired and I need to lay down
But you're travelling high speeds
And you're fast
Too fast to chase anymore
You're too fast to chase anymore
You're too fast to chase anymore

I'm tired
I've been waiting for you
I'm so tired and I need to lay down
But you're
Travelling high speeds
And you're fast
Too fast to chase anymore

You're too fast to chase anymore
You're too fast to chase anymore
You're too fast to chase anymore
You're too fast to chase anymore
