

## Pattern Repeating

Elliot Moss

Switch me off  
I'm so used to it  
Seal me in  
Please wake me up where I won't see the patterns

Shut me down for a while  
Put me in hypersleep  
Drain the blood from my arms  
Freeze it so it'll keep  
Please wake me up where I won't see the patterns

Suspend my animation  
Until things change  
Please wake me up where I won't see the patterns
