

Rabbit Roads

Elliot Moss

We lost count
Got lost to our age
We kill our old selves
And don't miss their faces

We shoulda spent more time
Driving down rabbit roads
Cause it all suddenly slowed
Turn this old car back around

Now I'm all I feel, I'm all I feel
In this darkening room, in this darkening room
Oh I'm all all feel, I'm all I feel
In this darkening room, in this darkening room
And all I can think is...

How can you run away when you don't know where they're coming from?
How can you run away when you don't know where they're coming from?
How can you run away when you don't know where they're coming from?
How can you run away when you don't know where they're coming from?

We lost count
I'd die for one last drive
Winding down rabbit roads
Winding down rabbit roads

Now I'm all I feel, in this darkening room, in this darkening room
I'm back in the womb no, I'm all I feel
I'm all feel, I'm all I feel
In this darkening room
In this darkening room and all I can think is...

How can you run away when you don't know where they're coming from?
How can you run away when you don't know where they're coming from?
How can you run away when you don't know where they're coming from?
How can you run away when you don't know where they're coming from?

Now I'm all I feel, in this darkening room
Shadows, birds of prey
I can feel shadows on the back of my neck
I can feel shadows on the back of my neck

Oh, I'm a rabbit in the woods, I'm a rabbit in the woods
I'm back in the womb, I'll be back in the womb soon

Oh, I'm a rabbit in the woods
