

## Between the Bars

Elliott Smith

Drink up baby, stay up all night  
With the things you could do  
You won't, but you might  
The potential you'll be  
That you'll never see  
The promises you'll only make

Drink up with me now  
And forget all about  
The pressure of days  
Do what I say  
And I'll make you okay  
And drive them away  
The images stuck in your head

People you've been before  
That you don't want around anymore  
That push and shove and won't bend to your will  
I'll keep them still

Drink up baby, look at the stars  
I'll kiss you again between the bars  
Where I'm seeing you there  
With your hands in the air  
Waiting to finally be caught

Drink up one more time  
And I'll make you mine  
Keep you apart,  
Deep in my heart  
Separate from the rest,  
Where I like you the best  
And keep the things you forgot

The people you've been before  
That you don't want around anymore  
That push and shove and won't bend to your will  
I'll keep them still
