

Give It To You

Elliott Yamin

Every time you call my name
Brings me back to that familiar game
I don't mean to sound so lame
But I can't get you off of my brain

Good lovin'
And it feels so right
Cause you give me good lovin'
All through the night
Good lovin'
And I just wanna be right by your side

I'm gonna give it to you

I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you

The way you make me feel inside
I'm a different man now I wanna try
To give you what you give to me
Because I'm into everything that you bring
In my eyes you could do no wrong
And in my arms is where you belong
No matter what we'll work it out
There's no other girl that I could be about

Good lovin'
And it feels so right
Cause you give me good lovin'
All through the night
Good lovin'
And I just wanna be right by your side

I'm gonna give it to you

I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you (I'm gonna give it to you)

In case you've been wondering, well baby here's your sign
I've been feeling you since the first day and I'm glad I tried
To treat you like it's your birthday 365

I'm gonna give it to you

I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
I'm gonna give it to you, I'm gonna give it to you
