Suitcase And Atoms

The citizens are looking quite the same But then again we are check the files And learn its not OK to go quite That far I guess well take it back assuming That's OK tenants took all the medical files I guess I'll do the same assuming That this conversation will allow us to get by suitcase

Is all we've got suitcase And atoms allow us to get by suitcase And atoms are all we've got I guess well take it all not a trace of Where you hide all the medical files To keep me in the straight assuming That this conversation allows us To get by suitcase is all we've got
