

Booty Killah

Elliphant

I give you tender and fun, a natural and high
Here I'm talkin', "What?
And what's the rule [?] "
Give me wings, man
And bring me body when me bleed
They give me finger
I never bother, but what?

Tonight I feel like linger
I'm higher in every wind, man
And ha booty killah, I'm a ya booty kill
Before you get to ride me
You must catch and take me up
Booty killah, I'm a ya booty kill

Hunt me down The Reef
Bloody teeth fill my heart
Booty kill
I'm in the jungle, I can see in the dark
Got your instincts sharp
Booty killah [x4] (killah)

I'm ya killah feela in the corner of the bar
Try booty killah thriller and you just put me on
I need a freaking soda to hang this hangover
I'm that hot shower in that blisseh hour
Clothes shut my money, clothes shut mai
Clothes shut my money go hunt me down for kill
Clothes shut my money, clothes shut mai
Clothes shut my money go hunt me no fun

Hunt me down The Reef
Bloody teeth fill my heart
Booty kill
I'm in the jungle, I can see in the dark
Got your instincts sharp
Booty killah
Booty booty kill

Yo! Booty killah, I'm a booty kill
Yo! Booty killah, I'm yo booty kill
Yo! Booty killah, I'm a booty kill
