

# PANDORA

Elliphant

Open up to pandora  
Open up to the shit make her  
Makin' love to pandora  
Makin' love to that bitch make her  
Make her dance  
Yea swing that devil  
Brest feed that skunk frickin' bitch pandora  
Open up yo pandora  
Open up yo yeah

Jump like a bunny for me na sweet honey  
See u ride on ur pony for the sun set na run'  
So u rut part ugly  
Dark side of the moon  
The mood u go bubbly as I enter the room  
Down with the dirt  
This stains ain't no blood  
Got sauce on my skirt  
Ketchup  
Where's my madda fukkin mustard at  
Yea am a rowdy little bastard rat

Let's make a mess in this clean little head of yours  
Don't die on ur pony na jump on my golden horse

Open up ya  
Breastfeed that skunk fricken bitch pandora  
She's been waiting for a kiss don't go diss pandora  
She be roudy loud don't doubty feelin'  
She go fight for light all the way through your skin

Let her out  
Let her out  
Let her out  
Let her out  
Breastfeed that skunk fricken bitch pandora  
Let her out  
Let her out

Makin' out with strangers  
Got me blissed knowledge  
Yea I dreamed all the way through spiritual college  
Now am my own god  
Don't care what u call it conscience  
Mighty force humbly abundance  
To everything I am I stay true n proud  
I go n put it out there  
I bring it high n loud  
I got no secrets  
But a bad reputation  
My name on your lips is a troll invasion  
Got control  
Far up ur butt hole  
My goal  
Mash up with your soul  
Pure gold  
123 sold

Open up ya  
Breastfeed that skunk fricken bitch pandora  
She's been waiting for a kiss don't go diss pandora  
She be roudy loud don't doubty feelin'  
She go fight for light all the way through your skin

Let her out

She's been waiting for a kiss don't go diss pandora  
She be roudy loud don't doubty feelin'  
She go fight for light all the way through your skin

Let her out  
Let her out  
Let her out  
Let her out  
Breastfeed that skunk fricken bitch pandora  
Let her out  
Let her out

Let her out  
Let her out  
Let her out  
Breastfeed that skunk fricken bitch pandora  
Let her out  
Let her out

If u wanna walk with me  
U need to deal with her  
Go n turn the lights of  
If u wanna fuck with me  
U need to deal with her
