Elliphant

Said I'm a sucker of it na, cook a rock  
U lucky son of a sun and moon fuck  
I run down rivers wild of melting a bay  
Naked hearts meet under reflection n grace  
The place a mess and ur eyes missed me every time, Saw u first thru  
the bubbles like purple shine  
Show me of wen I see u I  
Standing in the toilet line I see u I  
Let a run out, let a dazzle bliss free  
Where is ur head chicken come with me  
Don't make me beg man, it turns me off  
Boy u better beg, u better beg u know!
