

Oh  
Oh, woah  
Hey

Keep it real, there's something you don't love about us, and  
I can feel you never gave me all of your trust, yeah  
You don't ask if I can carry your bags  
If I tried, you'd probably leave it and laugh  
Keep it real, I'll start to think I'm just not enough, so

I try first, end last  
On a one-way, I switch paths for you  
I wanna give you my other half, but  
You don't know what I'm capable of  
I try first, end last  
On a one-way, I switch paths for you  
I wanna give you my other half, but  
You don't know what I'm capable of, baby  
Capable of, I try, I try and try  
But you don't know what I'm capable of

Keep it real, there's something you don't love about us, and  
I can feel you never gave me all of your trust, yeah  
You don't ask if I can carry your bags  
If I tried, you'd probably leave it and laugh  
Keep it real, I'll start to think I'm just not enough, so

I try first, end last  
On a one-way, I switch paths for you, babe  
I wanna give you my other half  
But you don't know what I'm capable of  
I try first, end last  
On a one-way, I switch paths for you, girl  
I wanna give you my other half  
But you don't know what I'm capable of, babe

I tried and tried and tried to see  
But you just won't see the heart of me  
I tried and tried and tried to see  
But you just, you, you just won't see me for me

Oh, girl  
You don't know what I'm capable of, oh, yeah  
You don't know what I'm capable of, baby  
You don't know what I'm capable of  
Let me tell you, baby  
You don't know what I'm capable of, babe
