

Remember

Elmiene

Oh my God, oh my God, oh my God
Put your love, put your fear in my heart
Oh my God, oh my God, oh my God
Put your love, put your fear in my heart

Help me bleed more
'Til my heart's pure
Help me see God
'Til my sight's cured
Help me bleed more
'Til my heart's pure
Let me see God
'Til my sight's cured, oh

Lose me so I can remember
Curse me so I can recenter
Just get me out of this system
Haunt me so I can surrender

Oh my God, oh my God, oh my God
Put your love, put your fear in my heart
Oh my God, oh my Lord, let me try
Put your love, put your fear in my heart

Let me bleed more
'Til my heart's pure
Help me see God
'Til my sight's cured
Help me bleed more
'Til my heart's pure
Let me see God
'Til my sight's cured

Ah-ah, ah, ah, ah
Ah, ah
Ah, ah-ah, ah, ah, ah
Ah-ah, ah, ah, ah
Ah, ah

Douse me, just leave me an ember
New shelter, how men were
Remind me, it's you who dismembers
Condemn me, condemn her

Oh my God, oh my God, oh my God
Put your love, put your fear in my heart
Oh my God, oh my Lord, let me try
Put your love, put your fear in my heart

Let me bleed more
'Til my heart's pure
Help me see God
'Til my sight's cured
Help me bleed more
'Til my heart's pure
Let me see God
'Til my sight's cured

But it's all the same
We'll love easy
Oh-oh, oh, oh, oh
