Elmiene

Mm, one of my favorite songs  
By a woman by the name of  
Cleo, Cleo Sol, Cleo Sol  
Mm, mm

Feel you treat me like a boy, oh  
Feelin' like together we'll grow old  
I made enough mistakes, that I don't mind  
I guess we found love

I say I'm so fine, oh (Yeah)  
So pure and bold  
I made enough mistakes, but you're on my mind  
I guess we found love  
We found love, oh-oh  
I guess we found love
