

## Slow Jam

Elmiene

I was gonna get like-  
Just, actually not dox myself  
Live room  
Hm

Oh-oh-oh-oh, oh  
"Live From 525"

I don't know what I'm doing  
I'm here  
I'm like, I feel I've accidentally pressed the "live" button  
Actually obviously it's not an accident because I've got all these mics set up  
So this is obviously intentional  
But the thing about this thing is I can't even see  
If there is even people here, so this might as well just be me  
Alone

I was all alone

Mister Jamie Fox  
Okay

Oh-oh-oh-oh  
I was all alone  
I was feeling rather low  
I needed someone to lift my spirits up  
So I dropped in on a dance  
Just to take a glance  
And there this sweet lovely thing was  
She was more than enough

I dropped in on a dance  
Said, "Would you like to dance?"  
So pleased that I had asked  
She quickly took my hand  
And we danced and fell in love  
On a slow jam, baby

Play another slow jam  
This time make it sweet  
Wanna slow jam  
For my baby and for me  
Ooh-ooh-ooh-ooh, ooh  
Play, oh baby  
Woah-oh-oh-oh-oh
