

## Untitled (How Does It Feel?)

Elmiene

Woo

Just take it all in

Yeah, give thanks to the song that started it all

Oh, yeah

Girl, it's all on you, have it your way

And if you want, you can decide

And if you'll have me

I can provide everything that you desire, oh woah

Said if you get a feeling, oh

Feeling that I'm feeling

Won't you come closer to me, baby? Uh

'Cause you've already got me- (Ooh)

Got me right where you want me, baby

I just wanna be your man

How does it feel?

How does it feel?

Oh, how does it feel?

Woo-hoo

Oh, yeah, baby

Ooh, babe, yeah-yeah-yeah

I wanna know, I wanna know how it feels, yeah

How does it feel? Yeah, oh

Eff

I like that, oof

That song is different

I think that's a good transition to the next song

Which is the final song of this impromptu set

525, Live With 525

I sound like I'm a radio station, talking like that

Live With 525 Radio Station

We are now rocking live into 2022?

Is when I think this song was released
