

Strange Kinda Feeling

Elmore James

Gotta strange kind-a feelin' my baby don't love me no more
Gotta strange kind-a feelin' my baby don't love me no more
I lost my baby when she walked out the door

Tell me baby, please tell me
Tell me baby, please tell me
Tell me baby why can't we agree

My baby left me, left me all alone
My baby left me, left me all alone
I hope some day she will come back home

I love my baby, I'll tell the world I do
I love my baby, I'll tell the world I do
Just seein' my baby, makes my dreams come true
