

The Sky is Crying

Elmore James

The Sky is Crying

by E. James, M. Levy, C. Lewis

performed by Stevie Ray Vaughan

The sky is cryin. Can't you see the tears roll down the street

The sky is cryin. Can't you see the tears roll down the street

I've been looking for my baby

And I wonder where can she be

I saw my baby early one morning. She was walking on down the street

I saw my baby early this morning. She was walking on down the street

You know it hurt me, hurt me so bad

Made my poor heart skip a beat

[guitar solo x2]

I've got a real real real real bad feelin that my baby she don't love me no more

I've got a real real bad feelin that my baby don't love me no more

You know the sky, the sky's been cryin

can't you see the tears roll down my nose
