

Where Can My Baby Be

Elmore James

Its soon in the morning and the ground is covered with snow
And my woman had left me and even I got to go
Yeah got the blues this morning wonder where can
My baby be every time I fall in love you know the blues will fo
llow me

I got the bleus this morning I can't even go to work
The woman I love left me and I can't even go to work.
Got the blues this morning wonder where could my baby be
