

Higher

Elohim

Take me to the station
I'm afraid of vacation, my brain is complicated
Carbonated, Bubbling away
It's hard to admit it, I am a risk to my system
I'm wrapped up like my own victim, killing me quick

Let go of the problems that are stuck in my head
I feel better when I tell myself I'm ok
I'm on a mission I'm efficient I'm existing

All this pressure gets me higher
This pressure keeps me high
All this pressure gets me higher
Higher
Higher higher higher higher
Higher higher higher higher
Higher higher higher higher
Higher higher higher higher

Break me to pieces, I am a pisces I need it
I like the motivation, inspiration, purpose to bleed
It's ok to admit it, I am the strength that I needed
You cannot break me I'm winning
I am a freak

Let go of the problems that are stuck in my head
I feel better when I tell myself I'm ok
I'm on a mission I'm existing

All this pressure gets me higher
This pressure keeps me high
All this pressure gets me higher
Higher
Higher higher higher higher
Higher higher higher higher
Higher higher higher higher
Higher higher higher higher

I am flying over mountains
I see diamonds in the sea
The earth is getting so much smaller
I can almost see
The whole galaxy

All this pressure gets me higher
This pressure keeps me high
All this pressure gets me higher
Higher
Higher higher higher higher
Higher higher higher higher
Higher higher higher higher
Higher higher higher higher

Higher higher higher higher
Higher higher higher higher
This pressure keeps me high
