Pyramid

Elohim

I'm in a pyramid, while I'm schemin'
I left my soul behind, cause I was dreaming
Swingin' from the ceiling like
Fast lane, money cars
I'd do anything at all just to have a wallet full
And those cash black cars
But it's not your average story of the girl who wants the money

I'd use it all it to buy that kid
Who can't afford the food he needs
And shoes he wants and he deserves everything

Do you take for granted a simple trip to the market
Your mom says you could have whatever you like
For me I never had it, check che-check a standard
They don't know what it's like

Covered in the holes in your brother's old clothes
Growing old, way too poor, you can't even afford
Those one required shorts for that one required school sport

I wanna take it all away but you wanna try playin'
Show you the world from a different place
It's gonna be okay
You're gonna be okay

I'm in a pyramid, while I'm schemin'
I left my soul behind, cause I was dreaming
Swingin' from the ceiling like
Fast lane, money cars
I'd do anything at all just to have a wallet full
And those cash black cars
But it's not your average story of the girl who wants the money
