

The Call

Elohim

Hello?
I kinda like driving through the hills
I just don't wanna be alone tonight
I'll stay up and wait
I don't know what I feel like
I just feel like being with you
I don't wanna be alone tonight
I wanna be next to you
I just feel like
Time is standing still
And I feel everything
And nothing all at the same time
I don't know what anything means anymore
I don't wanna be alone with my thoughts
I just wanna see you
Can you come over?
I've gotta go. I'll see you soon. Bye.
