

## After All

Elton John

I lie awake and realize  
That you're better than my dreams  
Thought I found love so many times  
Till you showed me what it means

Oh, oh, nothing compares to you  
Oh no, baby  
They were just doing it wrong  
I gave up on love until you made me believe in it after all  
After all

If you never fell out of the sky  
I don't know what I would do  
I wouldn't trade one thousand lives  
For the one I have with you

Oh, oh, nothing compares to you  
Oh no, baby  
They were just doing it wrong  
I gave up on love until you made me believe in it after all  
After all

Baby, after all

It's not the same  
Not the same  
Not the same, oh no

Nothing compares to you  
Oh no, baby  
They were just doing it wrong (Doing it wrong)  
I gave up on love until you made me believe in it after all (After all)  
After all

Nothing compares to you  
Oh no, baby  
They were just doing it wrong (Doing it wrong)  
I gave up on love until you made me believe in it after all (After all)  
After all
