Burn Down The Mission

Elton John

You tell me there's an angel in your tree
Did he say he'd come to call on me
For things are getting desperate in our home
Living in the parish of the restless folks I know

Everybody now bring your family down to the riverside Look to the east to see where the fat stock hide Behind four walls of stone the rich man sleeps It's time we put the flame torch to their keep

Burn down the mission

If we're gonna stay alive

Watch the black smoke fly to heaven

See the red flame light the sky

Burn down the mission
Burn it down to stay alive
It's our only chance of living
Take all you need to live inside

Deep in the woods the squirrels are out today My wife cried when they came to take me away But what more could I do just to keep her warm Than burn burn burn down the mission walls
