

Can You Feel The Love Tonight

Elton John

F **C**
1. There's a calm surrender

F **C**
To the rush of day

F **C**
When the heat of the rolling wind

Dmi **G**
Can be turned away

An enchanted moment
And it sees me through
It's enough for this restless warrior
Just to be with you

C **G** **Ami** **F**
R: And can you feel the love tonight

C **G**
It is where we are

F **G** **Ami**
It's enough for this wide-eyed wanderer

Dmi **G**
That we've got this far

And can you feel the love tonight
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

2. There's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turn

There's a rhyme and reason
To the wild outdoors
When the heart of the star-crossed voyager
Beats in time with yours

R: And can you feel the love tonight...

F **C** **Ami** **C** **F**
It's enough to make kings and vagabonds
