**Elton John**

1. There's a calm surrender
F C

To the rush of day

F (

When the heat of the rolling wind

Dmi G

Can be turned away

An enchanted moment
And it sees me through
It's enough for this restless warrior
Just to be with you

C G Ami F

R: And can you feel the love tonight

C G

It is where we are

F G Ami

It's enough for this wide-eyed wanderer

Dmi G

That we've got this far

And can you feel the love tonight How it's laid to rest It's enough to make kings and vagabonds Believe the very best

2. There's a time for everyone If they only learn That the twisting kaleidoscope Moves us all in turn

There's a rhyme and reason
To the wild outdoors
When the heart of the star-crossed voyager
Beats in time with yours

R: And can you feel the love tonight...

F C Ami C F

It's enough to make kings and vagabonds

Dmi7 C F G C

Believe the very best
