

Don't Let The Sun Go Down On Me

Elton John

G **F** **C** **Cadd4** **C**
1. I can't light, no more of your darkness
F **G** **G7**
All my pictures, seem to fade to black and white
G **F** **C** **Cadd4** **C**
I'm growing tired, and time stands still before me
F **G** **G7**
Frozen here, on the ladder of my life

2. It's too late, to save myself from falling
I took a chance, and changed your way of life
But you misread, my meaning when I met you
Closed the door, and left me blind by the light Ohhh

C **Cadd4**
R: Don't let the sun go down on me
Am **D**
Although I search myself, it's always someone else I see
C **F** **G** **C** **G7**
I'd just allow a fragment of your life to wander free yea
F **F** **Dm** **G** **C**
But losing everything is like the sun going down on me

3. I can't find, oh, the right romantic line
But see me once, and see the way I feel
Don't discard me, just because you think I mean you harm
But these cuts I have, oh they need love to help them heal O
