

I guess that's why they call it the blues

Elton John

G
1. Don't wish it away
Em F C F C F C F
Don't look at it like it's forever
C G
Between you and me
Bm F
C F C F C F
I could honestly say that things can only get better

C G
And while I'm away
B7 Em G7
Bust out the demons inside
C G
And it won't be long before you and me run
Am F G Am7 G7
To the place in our hearts where we hide

C G F
R: And I guess that's why they call it the blues
C G F
Time on my hands could be time spent with you
C G Am
Laughing like children, living like lovers
C F D
Rolling like thunder under the covers
F G C Em F
And I guess that's why they call it the blues

2. Just stare into space
Picture my face in your hands
Live for each second
Without hesitation and never forget I'm your man

Wait on me girl
Cry in the night if it helps
But more than ever I simply love you
More than I love life itself

R: And I guess that's why they call it the blues...
