

I'm Still Standing

Elton John

- A** **D/A**
1. You could never know what it's like
E/A **A**
Your blood like winter freezes just like ice
Bm7/A **D/A** **E**
And there's a cold lonely light that shines from you
F#m **D**
You'll wind up like the wreck you
A **Bm/A** **A**
hide behind that mask you use
2. And did you think this fool could never win
Well look at me, I'm coming back again
I got a taste of love in a simple way

And if you need to know while
I'm still standing you just fade away
- Am7** **Am** **Em7**
R: Don't you know I'm still standing better than I ever did
Dm7 **Fmaj7** **G**
Looking like a true survivor, feeling like a little kid
Am7 **Am** **Em7**
I'm still standing after all this time
Dm7 **E7**
Picking up the pieces of my life without you on my mind
Am **Dm7** **E7**
I'm still standing yeah yeah yeah
F/E **G/E**
I'm still standing yeah yeah yeah
3. Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now
- R: Don't you know I'm still standing...
