I Meant To Do My Work Today

Elton John

"I meant to do my work today
The brown bird sang in the apple tree
I know that's why
And a butterfly flittered across the field

And all the leaves were calling me
And the Buttercups nodded their smiling heads
Greeting the bees who came to call
And I asked the lizard the time of day...."

And the wind went sighing over the land, Tossing the grasses to and fro, And a rainbow held out its shining handa?? So what could I do but laugh and go?
