I've Seen That Movie Too

Elton John

I can see by your eyes you must be lying When you think I don't have a clue Baby you're crazy If you think that you can fool me Because I've seen that movie too

The one where the players are acting surprised Saying love's just a four letter word Between forcing smiles, with the knives in their eyes Well their actions become so absurd

So keep your auditions for somebody Who hasn't got so much to lose `Cause you can tell by the lines I'm reciting That I've seen that movie too

It's a habit I have, I don't get pushed around Stop twinkling your star like you do I'm not the blue print for all of your B films Because I've seen that movie too
