

# I Want Love

Elton John

**A F#mi E C#mi F#mi**  
**D C#7**

1. I want love but it's impossible, a man like me so irresponsible.

**F#mi B7sus4 B7 Bmi Esus4 E**  
A man like me is dead in places other men feel liberated.  
**A F#mi E C#mi F#mi D**  
**C#7**

I can't love shot full of holes, don't feel nothing I just feel cold.

**F#mi B7sus4 B7 Bmi**  
**Esus4 E**

Don't feel nothing just old scars toughening up around my heart.

**A G**  
R: But I want love just a different kind,  
**D F A**  
**F#7**

I want love won't break me down, won't brick me up, won't fence me in.

**Bmi**  
I want a love that don't mean a thing  
**Esus4 E C D**  
that's the love I want, I want love.

2. I want love on my own terms, after everything I've ever learned.

Me I carry too much baggage, oh man I've seen so much traffic.

R: But I want love just a different kind...

**C G**  
3. So bring it on, I have been bruised,  
**C Cmi**  
don't give me love that's clean and smooth.

**B F**  
**D E**  
I'm ready for the rougher stuff, no sweet romance I've had enough.

**F#mi B7sus4 B7 Bmi Esus4 E**  
A man like me is dead in places other men feel liberated.

R: But I want love just a different kind...
