1. Hey Nikita is it cold, in your little corner of the world
A E E7 A
You could roll around the globe, and never find a warmer soul
to know

D A
Oh I saw you by the wall, ten of your tin soldiers in a row
A E E7
With eyes that looked like ice on fire
A
The human heart a captive in the snow

A D A
R: Oh Nikita you will never know anything about my home
E E7
I'll never know how good it feels to hold you, oh no
A
Oh Nikita I need you so
A D A
Oh Nikita is the other side, of any given line in time
E E7
Counting ten tin soldiers in a row, Oh no
A
Nikita you'll never know

2. Do you ever dream of me
Do you ever see the letters that I write
When you look up through the wire
Nikita do you count the stars at night?
And if there comes a time
Guns and gates no longer hold you in
And if you're free to make a choice
Just look towards the west and find a friend

R: Oh Nikita you will never know anything about my home... (2x)
