

## Not Me

Elton John

I once knew all the answers, I stood on certain ground  
A picture of true happiness, confidence so effortless  
No brighter could be found

I never asked the questions that trouble me today  
I knew all there was to know, love worn lightly, put on show  
My conquest on display

And who would have thought that (confidence could die)  
Not me, not me  
That (all i took for granted was a lie)  
Not me, not me

Who would have guessed I'd throw my world away  
To be with someone (i'm afraid will say)  
Not me, (this can never be)  
not me

(He's is love but he's not the only one who'll be changed)

I shall not envy lovers, but long for what they share  
An empty room is merciless, don't be surprised if I confess  
I need some comfort there

And who'd've thought a love could be so good  
Not me, not me  
And show me things I never understood  
Not me, not me

Who would have guessed he'd throw his world away  
To be with someone till his dying day  
Not me, not me

And who'd've thought a love could be so good  
Not me, not me  
my secrets and my passions understood  
not me not me

and who'd've guessed he'd through his world away  
to be with someone til his dyin day not me  
not me, oh not me
