

## Sad Songs

Elton John

1. Guess there are times when we all need to share a little pain

And ironing out the rough spots

Is the hardest part when memories remain

And it's times like these when we all need to hear the radio

'Cause from the lips of some old singer

We can share the troubles we already know

Turn them on, turn them on

Turn on those sad songs

When all hope is gone

Why don't you tune in and turn them on

They reach into your room  
Just feel their gentle touch  
When all hope is gone  
Sad songs say so much

2. If someone else is suffering enough to write it down  
When every single word makes sense  
Then it's easier to have those songs around  
The kick inside is in the line that finally gets to you  
and it feels so good to hurt so bad  
And suffer just enough to sing the blues

Sad songs, they say

Sad songs, they say

Sad songs, they say

Sad songs, they say so much
